Superior Court of California, County of Riverside
# Wireless Access Instructions for Public Network
Using Windows XP

Wireless Networks: Court-Public-Riv & Court-Public-Ind

The following instructions are how to connect to the Court's public wireless network using Windows XP.
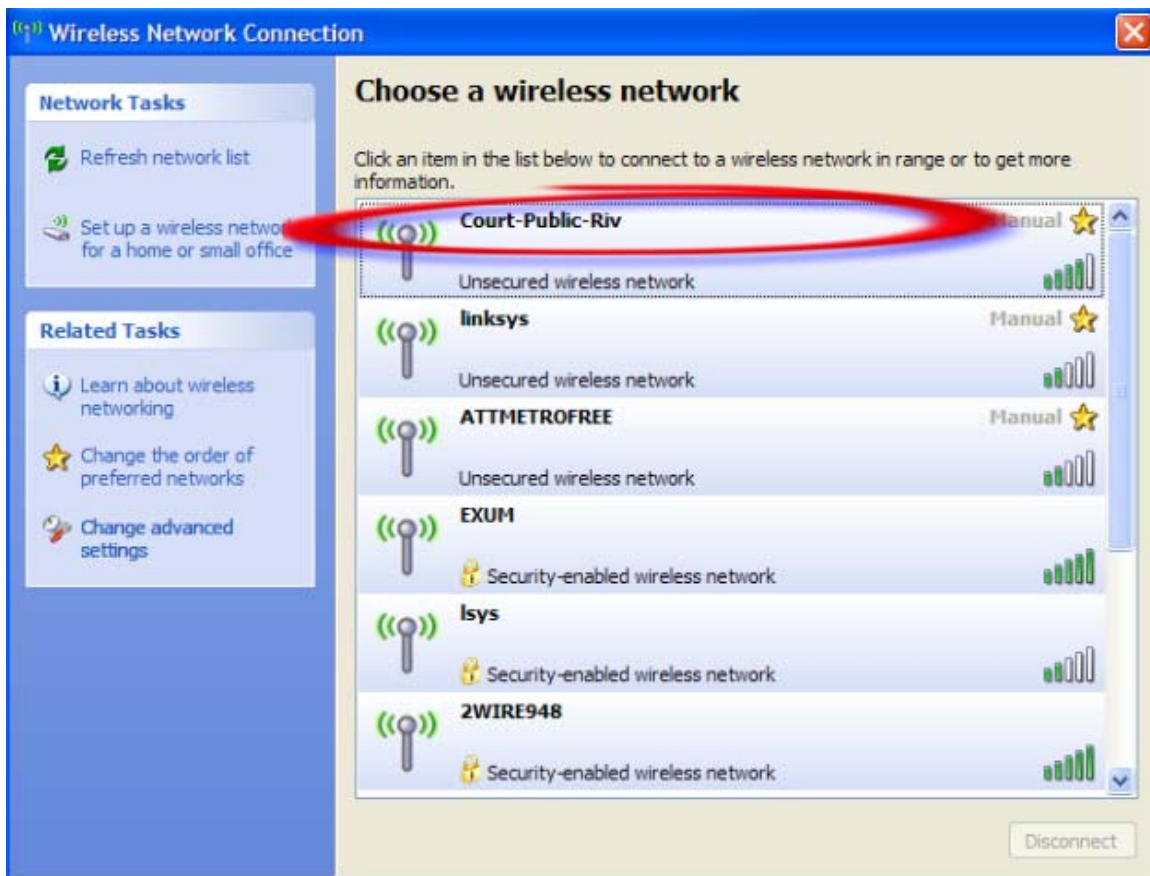

'Connecting'

Step 1: Locating the wireless network

Go to **Start** - select **Connect To**▶   select **Wireless Network Connection**

Next, the **Wireless Network Connection** window will open.

Your laptop will automatically begin searching for any wireless networks within range of your physical location and will display a list.   Locate the wireless network named **Court-Public.**

Please Note: If you are in the desert region you will see **Court-Public-Ind** and if you are in the western region of the county you will see **Court-Public-Riv**.
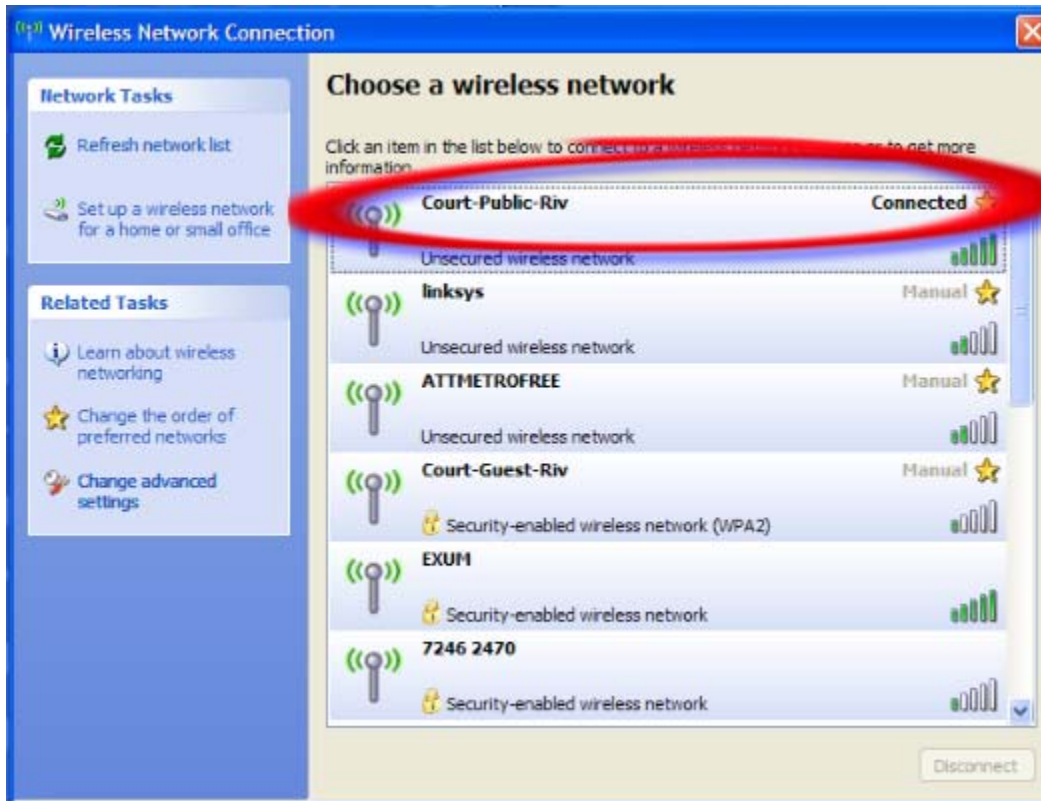

Step 2: Connecting to the wireless network

Click once on **Court-Public-Riv or Court-Public-Ind** to highlight your selection.
Next click the **Connect** button at the bottom of the window.

The following window will appear while your pc connects to the wireless network.
It can take a few seconds.

Once your pc connects to the court's wireless network the **Wireless Network Connection** window will appear and show the status as **Connected.**

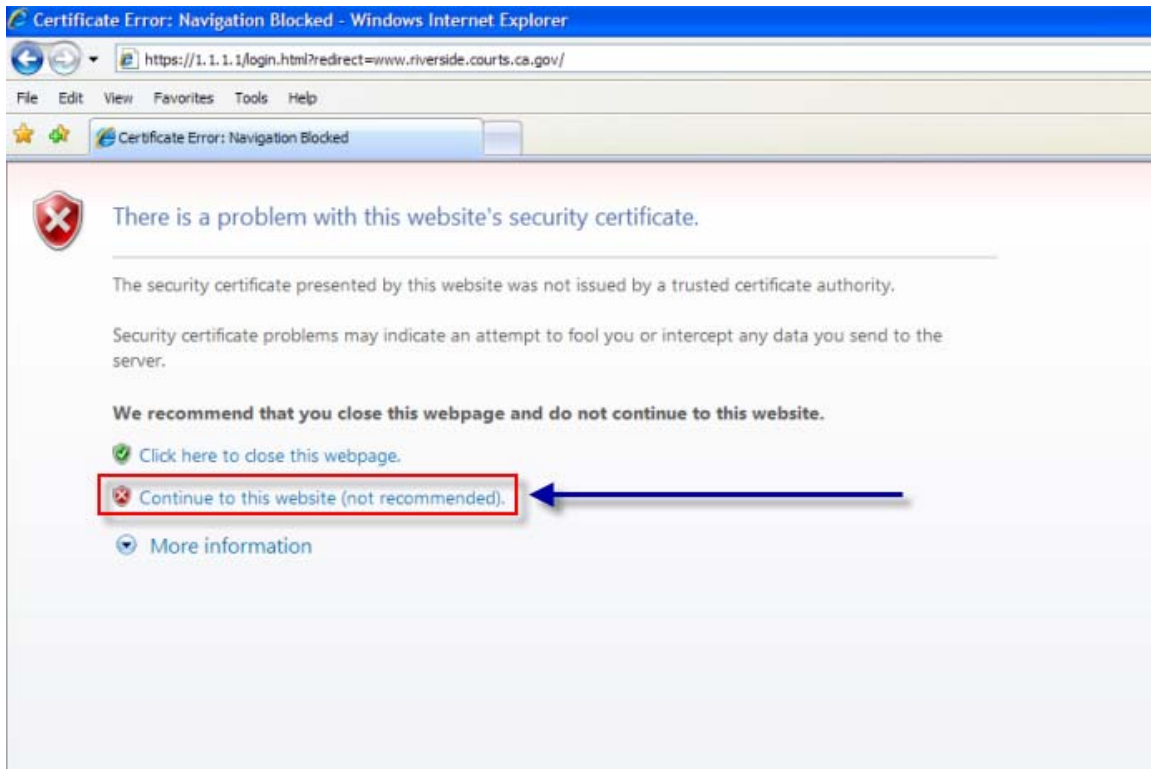

If you prefer you can close this window by clicking on the '**X**' in the upper right hand corner. This will not affect your connection.

Step 3: Accessing the Internet

Next, open your browser to access the internet.

You may safely proceed by clicking on '**Continue to this website (not recommended)'** since the 'website security certificate' is not used by the Court.

The next screen to appear is the 'Connect' window; simply click the '**Accept**' button.

Step 4: Wireless Access Policy

The Riverside Superior Court's splash page will appear with a link to the court's wireless access policy. By clicking 'Accept' on this page you are agreeing to the terms of use within the policy.

Once you click 'Accept' you will be taken to the court's website.

The following instructions are how to ***disconnect*** from the **Court's Wireless Network.**

'Disconnecting'
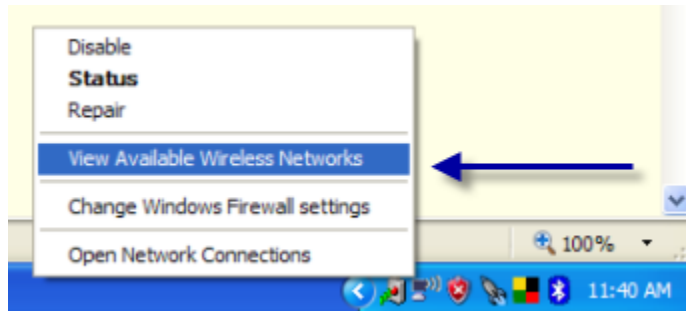

Step 1: Close/exit your web browser.

Step 2: View the wireless networks

In the lower right hand corner of your laptop is your system tray.

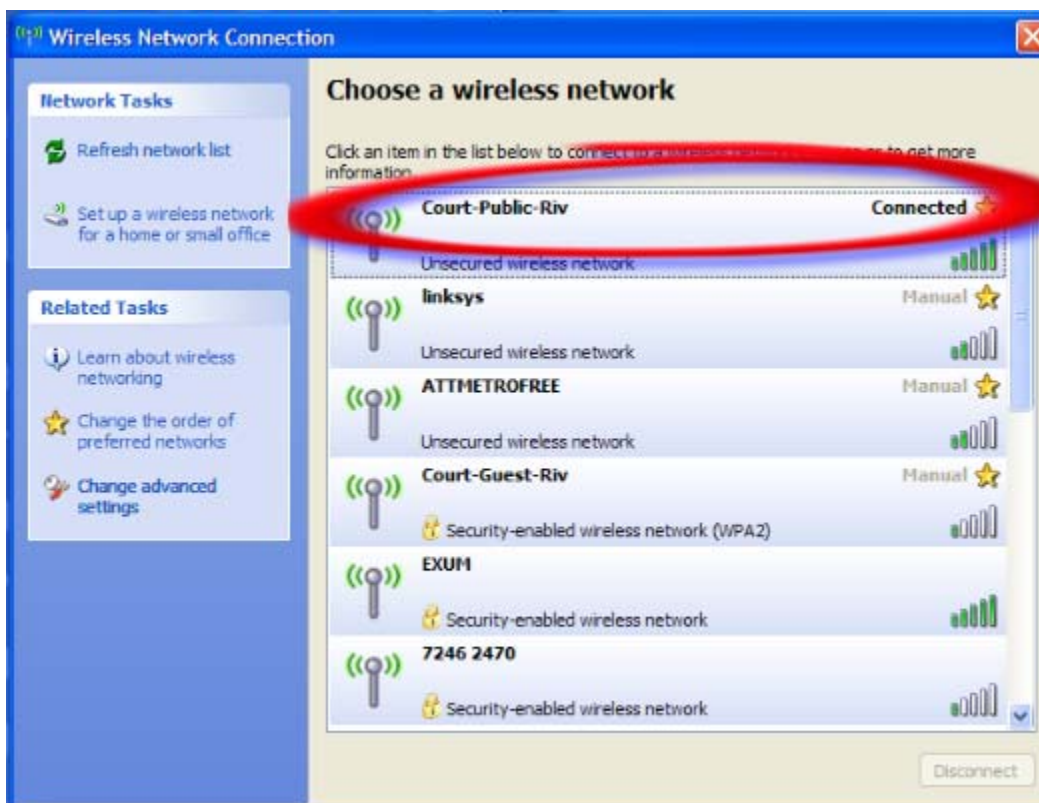

Locate the wireless icon.

'**Right'** click your mouse on the icon, and select **View Available Wireless Networks**

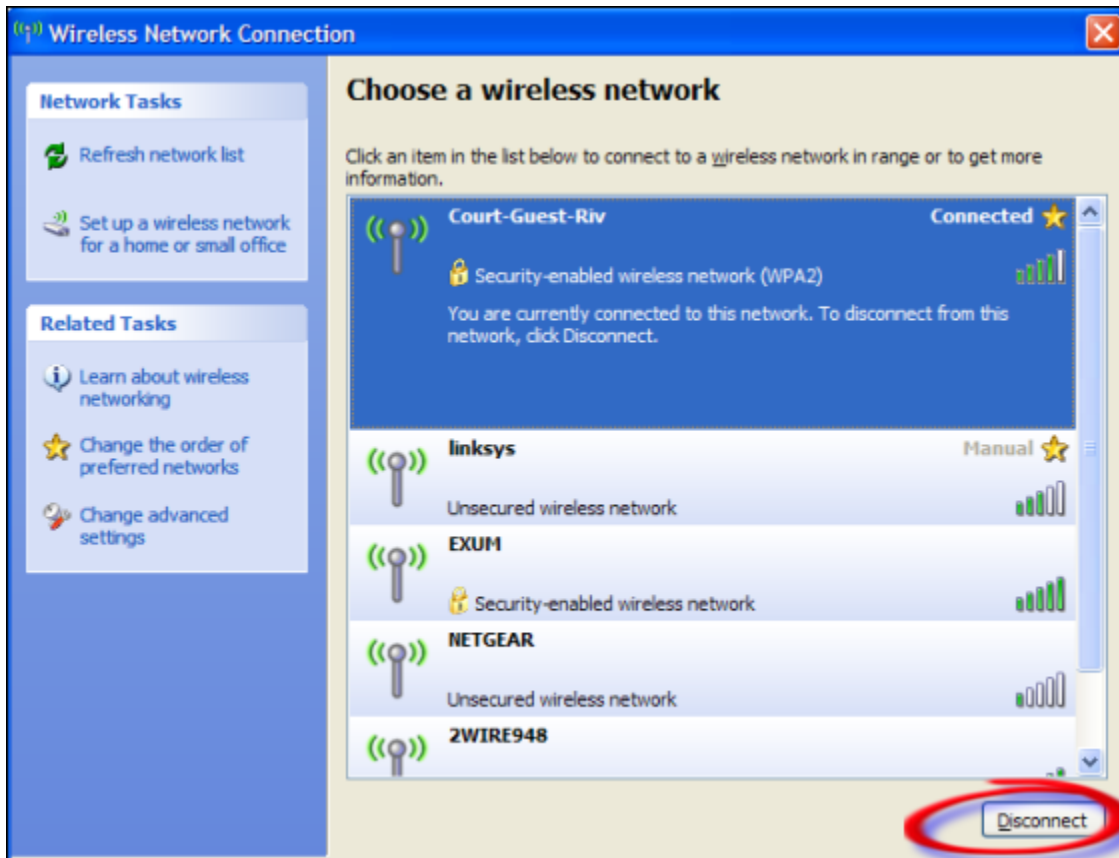

The **Wireless Network Connection** window will open. It will display the court's wireless network '**Court-Public–Riv**' or '**Court-Public-Ind** as **Connected**.

Step 4: Disconnect

Click once in the area of **Court-Public-Riv** or **Court-Public-Ind** to highlight the item.

The **Disconnect** button will activate at the bottom of the window.

Click **Disconnect.** Another window will open verifying you want to disconnect. Click **Yes.**
